FOR COMPANIES

Relocation to London for your new hires

Housing, settling-in and one point of contact. You follow every employee's move in your own company portal.

Packages for each employee

Area tour

Half a day or a day: neighbourhoods, commute to your office, and schools for families.

Home search

A shortlist, viewings in person or by video, negotiation, the contract check and move-in day.

Settling-in

Bank account, GP, National Insurance number, council tax, utilities, phone and transport.

Group housing

Several flats at once for a group or a cohort, with a price per flat.

Visas and immigration: we refer you to our trusted partner, an authorised immigration company, who handles the whole visa process.

Your company portal

- All your employees, and the stage each one is at
- Dates, the next step and who is doing it
- The chosen area, rent and move-in date
- Your agreement, invoices and reports
- A personal login for each person you name
- Passports, visas, bank statements and payslips are never shown

Example with made-up names

Employee A · starts 3 March	Viewings
Employee B · offer accepted	Contract
Employee C · moved in	Settled in

How it works

1. **A call**
   Your hiring plans, dates and budgets.
2. **A proposal**
   Packages and prices for your company, in writing.
3. **Each employee**
   We contact them within one working day and agree a plan.
4. **Moved in**
   Keys, then the settling-in list, done.

Fees and paperwork

- Prices per employee, or per flat for groups, in a written proposal
- Your company pays our fees, not your employees
- Invoices go to your company. VAT may apply, depending on the case.

Who we work with

- Start-ups and scale-ups hiring from abroad
- Universities, research groups and fellowships
- HR and People teams
